Hi, I'm Silvia!

Heart My Backpack chronicles my adventures through **over 80 countries**, first as a full-time nomad, and since 2015 as an expat trying to balance my continued eagerness to explore the world with my desire to make a home in Norway.

My travels tend to stray **off the beaten path**, whether in less popular destinations such as Iran and the "Stans," or simply in less traveled spots in popular destinations. Now that I am settled in **Norway** I focus on incorporating adventure into my everyday life and making the most out of shorter trips.
