"Guyana is stunning and so magical. Also that is by far the most beautiful waterfall I've ever seen!"

"Thank you for this. It gave me a moment to see Guyana from a different angle for a moment. Living here and being so immersed in the day to day has made me forget how diverse my home is."

"Loved this post! Gave me hope and made me want to visit Guyana!"

"Beautiful spot! Everything looks so lush and jungly. Haven't been but I won't lie, I've been doing some googling after seeing this trip!"

"A week off the grid sounds like bliss! I've never really considered visiting Guyana, mainly because I'm not sure what's there. Very curious to see more!"
