“All right, you’ve bumped Bodø onto my want-to-visit list!”

“I am in Northern Norway at the moment, thanks to your beautiful blog. You are spot on with your reflections and thoughts on this amazing country! Thank you!!”

“Wow!!! Bodo would have to be in my next bucket list now. Those pictures are GREAT!! Can’t wait to see this place in person.”

“It sounds hectic but great! I think I’d especially like hunting for the Northern lights on horseback (if you don’t see any, you’ll still have had a unique experience!) and staying in one of those cabins where you can actually see the northern lights from your window.”

“Sounds like an absolutely perfect holiday to me!!”

Tomorrow is February, one of the best times to experience winter in Norway! There’s snow on the ground, more daylight, but still amazing Northern Lights at night ❄️🌞🇳🇴 And here are six of my favorite places to experience winter in Norway - have you visited any of them yet?
